UNLV Senior CAAP Test Results, Spring 2014

Executive Report
Prepared by Lindsay Couzens
Coordinator of Academic Assessment

• 202 UNLV seniors took the Critical Thinking subtest of the Collegiate Assessment of Academic Proficiency (CAAP).

• UNLV seniors had a mean Critical Thinking score of 62.6, with 80.0 being the highest possible score.

• The CAAP compared local results to national scores. The national mean Critical Thinking score was 59.8. There was a statistically significant difference between UNLV’s mean score and the national mean score ($t = 7.1553$, $p < .05$). UNLV seniors scored significantly better on the Critical Thinking subtest than the national average.

• 166 UNLV seniors took the Essay Writing subtest of the CAAP.

• UNLV seniors had a mean Essay Writing score of 3.3, with 6.0 being the highest possible score.

• The national mean Essay Writing score was 3.3, indicating that UNLV seniors scored at the national mean on the Essay Writing subtest.
