Dear Dr. Kruskall:

This letter is to advise you of the action of the Commission on Accreditation for Dietetics Education (CADE) board regarding the Didactic Program in Dietetics at University of Nevada Las Vegas. During its June 15-17, 2011, meeting the CADE board continued the accreditation status of the Program based on its Program Assessment Report. Accreditation is granted for the Didactic Program in Dietetics at the baccalaureate level.

Ongoing monitoring of program outcomes and goal achievement is an essential component of continuous quality improvement. Your efforts toward quality dietetics education are encouraged.

The next review and site visit is scheduled for 2015. You will receive correspondence one year in advance of the next review inviting you to apply for full accreditation under the Accreditation Standards in effect at that time.

In the meantime, if major changes occur in the Program, please submit them in writing to CADE for review prior to implementation. The CADE board maintains the right to require an interim report, self-study report, and/or site visit as a result of any changes. Guidelines for reporting major changes are on the ADA/CADE Website at www.eatright.org/CADE under the Apply/Maintain Accreditation tab.

Thank you for your interest in and support of dietetics education and students. If there are any questions, please call the CADE staff at 800-877-1600 ext. 5400.

Sincerely,

Kevin D. Haubrick, MS, RD, LD
