Section 21.  Differential Program Fees

1. NSHE institutions may bring forward annually for Board approval differential program fees to be retained by the institution that would be assessed in addition to registration fees. 2. Upon the establishment of a differential program fee, all existing special course fees associated with the same program shall be eliminated, except those that are designated to cover the cost of consumables associated with a specific course.

3. Differential program fees shall be limited to high cost and/or high demand programs only, and such requests must be accompanied by documentation justifying the higher cost for students.

4. Except for clinical and applied health programs, differential program fees shall be limited to upper-division (300-400 level) and graduate level (500 level and above) courses.

5. Differential program fees shall be brought forward to the Board for consideration upon consultation with all institutions offering the program.
